

## FOOD STORAGE CONTAINERS

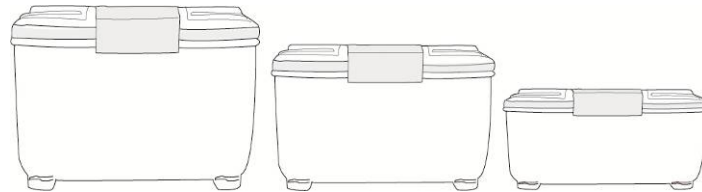

### Instructions for Use

#### DESCRIPTION AND PURPOSE

For everyday storage of all types of food – from spices, meat, cheese, fruit and vegetables to bread, pastries and leftovers. Containers are suitable for storing foods in the refrigerator and freezer as well.

Main benefits:

- Practical storing of foods
- Transparency of containers – you can see exactly what you have stored
- Quality materials – containers don't absorb the smell and colour of foods
- The most efficient use of space – empty containers are stored one on top of the other

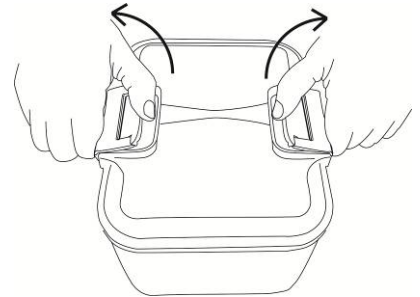

Containers are available separately or in sets:

- 6 containers of different volumes: **0.75 l, 1 l, 1.5 l, 2 l, 3 l, 4 l**
- A bigger 3 piece set: **1 l, 2 l, 4 l**
- A smaller 3 piece set: **0.75 l, 1.5 l, 3 l**

#### USAGE

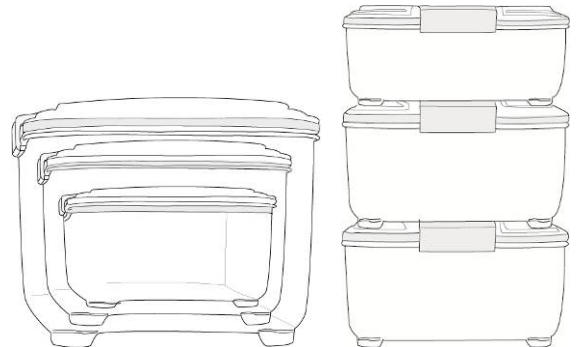

- Wash the container before using it.
- Put a lid on the container to close it. Set the lower part of both handles under the rim of the lower part of the container and push the upper part of the handle downwards.
- Open the container by following the dimple in the middle of the lid with your thumb and pushing the handles on the top of the lid upwards and sideways to remove the lid.
- Warning! Never cut on the surface of the container with a knife.

#### DO YOU HAVE THE WHOLE SERIES OF FOOD STORAGE CONTAINERS?

Use them to get maximum space for storing food. They take up minimum space when empty.

- **Empty – one inside the other:** 0.75L inside 1.5L inside 3L
- **Full – one on top of the other:** 0.75L and 1L on top of 1.5L and 2L on top of 3L and 4L

#### MAINTENANCE AND CLEANING

Containers and lids may be cleaned by hand with conventional dishwashing liquids or in the dishwasher.

#### MATERIALS USED

Food storage containers are made of the SAN material. Handles are made of ABS plastic. Seals are made of silicon. All materials maintain the integrity of food.

At Status we carry out the whole life cycle of our products. We take care of development, manufacture, market communication and sales, as well as provide a service centre for our users. We continuously complement our products with the wish to accommodate our users, who are our first and last checkpoint.

We strive to make **Status - kitchen innovations** a brand of high-quality products that are efficient and easy to use. Our range of products includes **products for storing food in vacuum as well as without vacuum, utensils for cooking and preparing food, home equipment products** and others.

Manufacturer: **Status d.o.o. Metlika, Ulica Belokranjskega odreda 19, 8330 Metlika, Slovenia +386 (0)7 36 91 230**
